

# **GREATER TRENTON DART LEAGUE**

## **PLAYER REGISTRATION**

If you are a new player in the league, please send an email to [stats@trentondarts.com](mailto:stats@trentondarts.com) with the following information. Your information will be shared with captains looking to add players to their teams. While the board can facilitate helping new players, ultimately the captains and teams have to decide. It is possible that not every new player will find a home.

If you're reading this, also consider going to one of the local luck of the draws each week to meet players and get a feel for things.
