

GTDL Players and Followers

On April 27th, 2024, the GTDL will be hosting our annual Darts for Dreams charity dart-a-thon to benefit Make-A-Wish New Jersey. This will be our 19th year of the event, which to my knowledge is the longest running and most successful charity dart event there has ever been. To date, we have collected and donated to MAWNJ over \$725,000 and sponsored almost 70 wishes for kids facing critical illnesses.

One of the biggest reasons this event has succeeded over the years is our players and their participation. There are many ways to help out.

As always, I'm asking for your help. Here's a list of ways you can help:

1. Volunteer in some way.
 - a. Help sell raffle tickets for the "Big Raffle" - a 75" TV, iPad and Xbox are the prizes this year.
 - b. Solicit some donations from local businesses or your connections. You can reach out to me or download the sponsor paperwork directly from Dartsfordreams.com.
 - c. Help with organizing, setting up or being available during the event to help.
2. Attend the event.
 - a. Come out that day to play darts, have a few drinks, something to eat, win some prizes and help us raise money for MAWNJ.
3. Spread the word.
 - a. Tell those you know of the great work being done and the impact of this event on local kids facing critical illnesses.
 - b. If you're a Facebook user, look for the "Darts for Dreams 19" event, invite others and share the page.
 - c. Encourage your teammates or others you see to attend.
 - d. Tell them to watch [dartsfordreams.com](https://Dartsfordreams.com) to see what kind of raffles they can win.
4. If you can't make it out but want to help, consider donating. The link to the donation page is also on [dartsfordreams.com](https://Dartsfordreams.com).

If you're interested in anyway, please reach out to me via email or phone.

Thanks everyone!!!

Gary Yourman
