## GTDL Players and Followers

On April 29<sup>th</sup> 2023, the GTDL will again be hosting our annual Darts for Dreams charity dart-a-thon to benefit Make-A-Wish New Jersey. This will be our 18<sup>th</sup> year and I'm proud to again be leading the efforts.

As I've asked in the past, I could use your help. The help and support of our players and followers is one of the reasons this event has been so successful. How successful? How's this? In 2022, the event raised over \$83,000 and since we started in 2006, over \$635,000!!!! All of that money goes to MAWNJ, and is directed to support wishes for kids in Mercer County (and a few exceptions) fighting critical illnesses. So far, over **sixty** wishes!

How can you help?

- Consider selling raffle tickets for the event. This year, we have 2500 tickets, priced at \$5 with prizes of a 65" 4K Smart TV, Apple iPad and Sony Playstation 5. Consider selling 20, 30 or maybe 50 tickets to friends, family and co-workers.
- Spread the word about the event. Send people to [www.dartsfordreams.com](http://www.dartsfordreams.com). They can find links, paperwork, and our raffles (by end of February) that anyone can buy tickets for online and help out.
- Show up at the event. Come out for the day and have a good time. Attendees pay \$5 and throw 50 darts and add up their score. High scores and random numbers win prizes each hour. Plus, you'll get a chance to bid on auction items, and other raffles not available online.
- Sponsor the event. If you own/manage a business, or know people who do, head to the website and click Paperwork for Sponsors to review the materials.
- Make a donation. Also on the website, there's a donation link. Want to help? Know people who might want to help, click the donation button on the website.
- Volunteer at the event. We always need a few people to set up the hall, break down afterwards and just help people during the day of the event.
- Ask me any questions. There's always something I don't think of. There's always something new or different that we can incorporate. Again, just ask me.

Thanks everyone!!!
