

GTDL All Stars 2018-2019

Qualifying Process:

- Board vote: All board members named their five choices for the All Star team. There were a total of 35 votes entered. Any GTDL player who received votes from a majority of the board members (so 4 of 7) was granted a position on the team. Up to 5 positions would be filled this way.
- Mr. Trenton: The winner of this tournament is granted a position on the team.
- Winter Singles League: The winner of the winter singles league is granted a position on the team.
- Qualifying events: At each qualifying event, the top two places after a round robin and bracket style event are granted positions on the team. Also, after both events, the players with the most accumulated points are granted positions on the team based on the number of players for a specific event.
