

Greater Trenton Dart League

2017-2018 Season

Memorial Tournament Updates

The Memorial Tournament is event that runs throughout the normal GTDL Season. Is it designed to provide another opportunity to all teams who participate a chance to win the perpetual 'Player's Cup'.

This year, 15 teams are in the tournament.

The first week of the event will be Thursday, November 16th, 2017.

The second week of the event will be played on a date still TBD.

The third week of the event will be played on a date still TBD.

The finals will be played at the end of the season.

A normal GTDL match format is used during the tournament, with the same restrictions on player limits.

You don't need to use a 2 or 3 part carbon for the match, but please send the scores in like normal.

The tournament is handicapped to add some equality between the teams of differing calibers and division placement. For 2017-2018, the handicap is adjusted to 4 points for a one division shift, and 7 points for a two division shift.

If two teams of equal divisional status are playing (A v. A, B v. B or C v. C), then the nightly game play is a traditional 27 point match, with the first team to 14 points declared the winner.

If the match is A v. B then the A team needs to win 18 points or the B team needs to win 10 points.

If the match is B v. C then the B team needs to win 18 points or the C team needs to win 10 points.

If the match is A v. C then the A team needs to win 21 points or the C team needs to win 7 points.

The following guidelines apply to how the home and away teams are determined:

The first week is a random draw.

Clearly, a sponsor with two teams can't have two home matches, so the Special Events Coordinator will reassign as needed to avoid conflicts, trying to keep the integrity of the home teams selected via the random draw.

In next rounds, the effort is placed on trying to have a home match at each of the sponsors in the league. This means that not every team will get a home match, if the other team at the sponsor already has one and the opponent's sponsor in that round has not had a home match.

As the tournament proceeds, it is possible both teams in a match are in the same situation (the sponsor HAS or HAS NOT had a home match during the tournament). The Coordinator will make the necessary decisions, which may include a coin flip, to determine the home team during a match.

If you have any issues or comments, please contact Gary at events@trentondarts.com .
