

Darts for Dreams

What is a dart-a-thon you ask?

Unlike a traditional tournament, here are our rules!!!

- Have fun and help out a great charity!
- No set start time, the doors will open at noon, and we'll start shooting at 1 PM. Show up when it's good for you. We'll play for about 5 or 6 hours.
- Bring your kids. Expose them to a great charity and to some darts too.
- There's a \$10 donation at the door. We'll give out gift bags with whatever we can collect until we run out and you'll get all kinds of free stuff!
- There is no bracket or set matches. You just play darts! It's just \$5 to shoot 51 darts for a high score and \$20 for a team of 4 entries.
- Hourly prizes are given out to the highest Male/Female and GTDL scores. At the end of the day, the top M/F, Youth and 4 person team also get prizes. In addition, ten random numbers will be set aside. If your score is the first to match one of these, you win a cash prize!
- Throughout the day, we'll have raffles, a 50/50 plus a great silent auction.
- It's at a social club, so the drinks are cheap, the food is deep fried frozen stuff, and you play darts in a basketball court.
- Enjoy the day! If you can't have fun when you play darts and raise money for kids with critical illnesses, this isn't the event for you.

The best way to stay on top of things are to click the links below. You'll find info there on the specific event for the year.
