

GREATER TRENTON
DART LEAGUE

2024-2025
GTDL/SPONSOR
AGREEMENT

COMPLETING THE AGREEMENT FORM

Please review the entire packet before agreeing to the rules and agenda that have been established for the upcoming season.

Sponsor representatives are only responsible for signing the sponsor form (page 2) and captains are required to fill out any other documents within the packet.

If a sponsor location is sponsoring more than one team, then the bar owner may fill out one sponsor agreement, and each captain should complete the team paperwork.

Initial team rosters must be emailed to GTDL (board@trentondarts.com) by September 11th, 2024. A team requires a minimum of six players willing to play regularly on Thursday nights. If a sponsor is short players, the GTDL would be glad to post a notification on its web page to help with filling out the team. Captains should attend a registration event held at the beginning of the season..

The sponsor fee of \$250.00 for the first team, plus \$150.00 for each additional team must be received by January 5th, 2025. Player fees (\$40) are requested to be submitted by the same day. All checks should be made payable to "Greater Trenton Dart League" or "GTDL." Exceptions may be allowed if a team is made of a majority of past players.

Prior to the season starting, a board member will visit your location to assess the environment for league play and to inspect the dart area for rules compliance. Please work with the board member on recommendations.

It is a custom among many sponsors to offer promotions to players on league nights. Following this tradition is completely at the discretion of the sponsor.

Thanks,
John Meade
GTDL Board President, 2024-2025

Greater Trenton Dart League

SPONSOR REGISTRATION 2024-2025 SEASON
