

GREATER TRENTON
DART LEAGUE

2016-2017
GTDL/SPONSOR
AGREEMENT

COMPLETING THE AGREEMENT FORM

Please review the entire packet before agreeing to the rules and agenda that have been established for the upcoming season.

Sponsor representatives are only responsible for signing the sponsor form (page 2) and captains are required to fill out all other documents within the packet.

If a sponsor location is sponsoring more than one team then the bar owner may fill out one sponsor agreement, and each captain should complete the team paperwork.

Initial rosters must be e-mailed to GTDL by September 15, 2016. (board@trentondarts.com). Captains should work with the board on this or attend the registration event that evening.

The sponsor fee of \$150 for the first team, plus \$125 for each additional team must be received by September 22nd 2016 (2nd Registration event). Player fees (\$35) are requested to be submitted by the same day.

All checks should be made payable to "Greater Trenton Dart League" or "GTDL"

Any new teams must have their sponsor fee and at least eight (8) players dues fees paid by September 22, 2016. Exceptions may be allowed if the team is made of a majority of past league players.

A captain's meeting will be held on September 22, 2016 to discuss the responsibilities of captains and clarification of rules for the upcoming season. This meeting is mandatory; if a captain cannot be present then a team member must be designated to attend in their place.

Prior to the season starting, a board member will visit your location to assess the environment for league play and to inspect the dart area for rules compliance. Please work with the board member on recommendations.

Thanks,
Geoff Thomas
GTDL President, 2016-2017

**SPONSOR REGISTRATION
2016-2017 SEASON**

Sponsor Information	
Sponsor Name	
Business Address	
City, State, Zip	
Business Phone

Total amount paid	
Number of unpaid players	
Total unpaid amount	

Any checks should be made payable to **"Greater Trenton Dart League"** or **"GTDL"**.

Captain's signature: _____

Received by: _____ on date (_____)

2016-2017 Player Information and Registration

This information is designed to be distributed to players in the league. Captains should help with that. It will also be available at the registration events.

Welcome to the 2016-2017 GTDL Season. Below you'll find the basic information you'll need to participate and be an informed and active member of the league.

Our online presence:

- Online at <http://www.trentondarts.com>
- On Facebook at <http://www.facebook.com/GreaterTrentonDartLeague>

Your information:

- One of the goals of the board of the GTDL is to get current, valid contact information for all players. We are currently about 75%.
- The purpose is so that we can alert all the players to updating events, news or a change of some kind. We realize that not everyone visits the website regularly or uses facebook, so this is another way to remind players about events or activities.
- Players whose email addresses the league has are aware that all emails sent are blind copies, so others don't see your email address.
- We don't sell or give away your email addresses.
- All emails to the league players currently come from either Geoff Thomas (President), John Tedder (Statistician) or Gary Yourman (Special Events). In addition, specific accounts like president@ or events@ trentondarts.com will also be used.
- At the beginning of the season luck of the draw, and throughout the first few weeks, the board members and captains will be asked to help collect this information. Please be supportive and help them out. If you don't have contact with anyone in this group, please fill out the roster forms so we can collect the information that way.

General League Schedule: (Future dates are approximate. Notifications will be sent out and information posted on league website and Facebook with actual dates).
